Ron Chandler Joins Shelby Systems as Director of Customer Development Division

CORDOVA, TN – Ron Chandler has joined Shelby Systems as Director of Customer Development. Ron brings with him 30 years of experience in ministry-related business administration, most recently at Germantown Baptist Church. Mr. Chandler will lead the company's customer support, training, education, and events departments. Upon being asked about his reaction to his new post, Chandler stated, "I am thrilled to be joining a company with such a great reputation in the industry. Shelby Systems continues to support churches and other religious organizations with a strong ministry focus. It is my sincere desire to reinforce this purpose in everything we do."

Ron is a graduate of Ouachita Baptist University and Southwestern Baptist Theological Seminary. An active member of the National Association of Church Business Administration, Chandler received the 2002 Saucedo Award which recognized him as Church Business Administrator of the Year.

Shelby Systems, located in Cordova, Tennessee, provides management software designed for faith-based organizations such as churches, denominational headquarters, and other non-profit groups. The company currently services over 8,500 customers in more than 40 countries. To learn more about the software, visit www.shelbyinc.com or call 800.877.0222.
